Android

Part B: Connect with your therapist.

STEP 4

Open the original Follow Up invite email and scroll down until you see **"Join Meeting"** in a blue box. Choose **"Join Meeting"**.

HINT: If you already accepted the invite, you might need to look on your calendar rather than in your email.

STEP 5

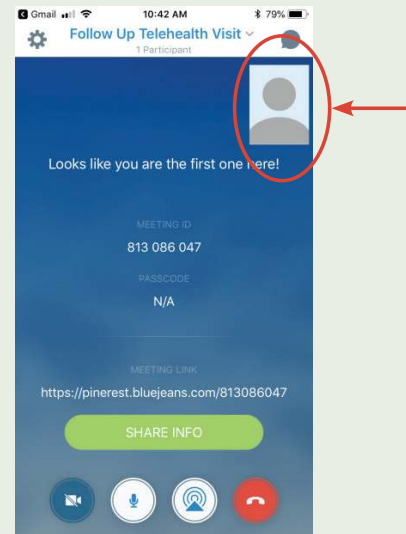

Your meeting will automatically launch in the BlueJeans App. You will be prompted to:

- Enter your name,
- Turn on the video,
- Give access to microphone so you can be heard, and
- Give access to the camera so you can be seen as shown in shots below.

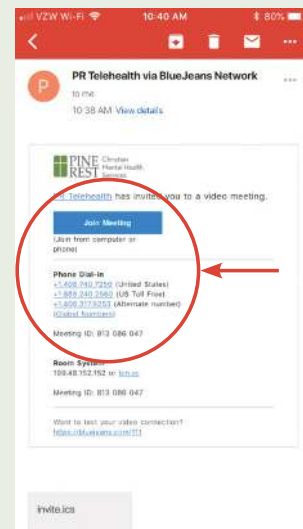

STEP 6

Your video should start automatically, and you will appear in the upper right hand corner of the screen.

If you have trouble joining using the app, go back to your email and reference the Phone Dial-in number and meeting id specific to you.

Testing the BlueJeans App Ahead of Your Scheduled Appointment.

If you want to test the app ahead of time, go to <https://bluejeans.com/111> in your phone or tablet browser. This will connect you to Jean the talking parrot. If you can hear Jean repeat what you have said and mirror your movements, you are all set.
